Re: Freedom of Information Request No. **EPA-R2-2013-007409**  
Dated: June 17, 2013

Dear Ms. Ryback:

Your request for information has been referred to this branch for response. We have searched the Resource Conservation and Recovery Act (RCRA) files and/or computer database as appropriate to respond to your request. In addition, you may also receive information from other program areas within this Regional Office.

Enclosed are copies and/or computer listings of all the available RCRA hazardous waste information concerning BASF Catalysts LLC at 700 Blair Road in Carteret, New Jersey. The charge for processing this request is **\$91.50**. Per your email to Mr. David Abrines of my staff dated July 1, 2013, your office gave us approval for the cost for copying. You will receive the bill via FOIAonline. Please remit in accordance with the billing instructions.

In addition, enclosed is a list of two archive documents that are located in Kansas City, MO. We suggest that you first review the enclosed documents, and afterwards, if you still require reviewing the archived documents, please let Mr. Abrines know by contacting him at (212) 637-3043.

We also have three maps for the former Engelhard Corporation at 700 Blair Road in Carteret, New Jersey, which may be considered confidential. We recommend that you first review the enclosed documents. If after reviewing the documents and you still have an interest in pursuing the regulatory process to request disclosure of the confidential documents, please inform Mr. Abrines at the above number.

In addition, RCRA information is available on the Internet as described on the enclosed sheet.

Please include the above referenced request number on the face of your check, or money order, and in any subsequent communication relating to this request.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Adolph S. Everett". The signature is fluid and cursive, with the first name "Adolph" being more prominent.
